## **Hume packing list**

You need to bring a **pillow** and **warm sleeping bag** or **heavy comforter**. (*Sheets and one towel will be provided by Hume for each camper*)

It will be significantly colder than Ventura! **Pack** your **warm layers**! Yes, you will need a **jacket**. You will not need anything dressy. This is a strictly comfortable and casual event.

We will be in the forest, so bring your **comfy closed toed walking shoes**. Nancy swears by her Uggs all weekend. *If you want to hike, bring tennis shoes or boots.*

You will need a **water bottle** and **sunscreen**. The air is thinner up there, so you're more likely to get sunburned and dehydrated!

We also recommend a **notebook**, **pen**, and a **flashlight**.

Bring your **Bible!!**
