BATTLE BELONGS

When all I see is the battle
You see my victory
When all I see is the mountain
You see a mountain moved
And as I walk thru the shadow
Your love surrounds me
There's nothing to fear now
For I am safe with You

**So when I fight I'll fight on my knees
With my hands lifted high
Oh God the battle belongs to You
And every fear I lay at Your feet
I'll sing through the night
Oh God the battle belongs to You**

And if You are for me
Who can be against me
For Jesus there's nothing impossible for You
When all I see are the ashes
You see the beauty
When all I see is a cross
God You see the empty tomb

***! : Almighty Fortress You go before us
Nothing can stand against
The power of our God
You shine in the shadow
You win every battle
Nothing can stand against
The power of our God :|***

CHRIST BE MAGNIFIED

Were creation suddenly articulate
With a thousand tongues to lift one cry
Then from north to south and east to west
We'd hear Christ be magnified
Were the whole earth echoing His eminence
His name would burst from sea to sky
From the rivers to the mountaintops
We'd hear Christ be magnified

*Oh Christ be magnified
Let His praise arise
Christ be magnified in me
Oh Christ be magnified
From the altar of my life
Christ be magnified in me*

When every creature finds its inmost melody
And every human heart its native cry
Oh then in one enraptured hymn of praise
We'll sing Christ be magnified

I won't bow to idols I'll stand strong and worship You
If it puts me in the fire I'll rejoice 'cause You're there too
I won't be formed by feelings I'll hold fast to what is true
If the cross brings transformation
Then I'll be crucified with You
'Cause death is just the doorway into resurrection life
If I join You in Your sufferings then I'll join You when You arise
And when You return in glory
With all the angels and the saints
My heart will still be singing and my song will be the same

GOODNESS OF GOD

I love You Lord oh Your mercy never fails me
All my days I've been held in Your hands
From the moment that I wake up until I lay my head
I will sing of the goodness of God

All my life You have been faithful
All my life You have been so so good
With every breath that I am able
I will sing of the goodness of God

I love Your voice You have led me thru the fire
In darkest nights You are close like no other
I've known You as a Father, I've known You as a Friend
I have lived in the goodness of God

All my life You have been faithful
All my life You have been so so good
With every breath that I am able
I will sing of the goodness of God

Your goodness is running after, it's running after me
Your goodness is running after, it's running after me
With my life laid down, I'm surrendered now
I give You everything
Your goodness is running after, it's running after me

CLOSER

Your love has ravished my heart
And taken me over | Taken me over
And all I want is to be with you forever
With you forever

So pull me a little closer
Take me a little deeper
I wanna to know your heart
I wanna know your heart

Cause your love is so much sweeter
Than anything I've tasted
I wanna know your heart
I wanna know your heart

*Whoa whoa how great your love is for me
Whoa whoa how great is your love*
