EASTER 2020

Easter is all about hope! And, yet there's so much in our world that gives us cause to despair, get discouraged, disillusioned and anxious. This new teaching series will be about seeing the future (facing the future) through the lens and truth of what Scripture says. Through Christ, we can embrace the future with confidence, joyful expectancy and reassuring hope! This will be a great series, and tremendously practical. I hope that you'll come join us!
