Chorus

**Bless the Lord, O my soul, O my soul
Worship His holy name,
Sing like never before, O my soul
I'll worship Your holy name**

The sun comes up, it's a new day dawning
It's time to sing Your song again
Whatever may pass, and whatever lies before me
Let me be singing when the evening comes

You're rich in love, and You're slow to anger
Your name is great, and Your heart is kind
For all Your goodness I will keep on singing
Ten thousand reasons for my heart to find

And on that day when my strength is failing
The end draws near and my time has come
Still my soul will sing Your praise unending
Ten thousand years and then forevermore

CALLED ME HIGHER

I could just sit

I could just sit and wait for all Your goodness
Hope to feel Your presence

I could just stay

I could just stay right where I am and hope to feel You
Hope to feel something again

but You have called me higher
You have called me deeper
and I'll go where You will lead me Lord

I could hold on

I could hold on to who I am and never let You
change me from the inside

I could be safe oh

I could be safe here in Your arms and never leave home
never let these walls down

but You have called me higher
You have called me deeper
and I'll go where You will lead me Lord

//

I will be Yours, oh, I will be Yours for all my life
I will be Yours, oh, I will be Yours for all my life
I will be Yours, oh, I will be Yours for all my life
So let Your mercy

I will be Yours, oh, I will be Yours for all my life
So let Your mercy light the path before me

RUN TO THE FATHER

I've carried a burden for too long on my own
I wasn't created to bear it alone
I hear Your invitation to let it all go
I see it now, I'm laying it down
I know that I need You

**I run to the Father, fall into grace
I'm done with the hiding, no reason to wait
My heart needs a surgeon, my soul needs a friend
So I run to the Father again and again and again...**

You saw my condition, had a plan from the start
Your Son for redemption, the price for my heart
I don't have a context for that kind of love
I don't understand, I can't comprehend
All I know is I need You

//
My heart has been in Your sights
Long before my first breath
Running into Your arms is running to life from death
I feel this rush deep in my chest
Your mercy is calling out
Just as I am You pull me in
I know that I need You now

GIVE ME FAITH

I need You to soften my heart to break me apart
I need You to open my eyes to see that
You're shaping my life
All I am, I surrender

**Give me faith to trust what You say
That You're good and Your love is great
I'm broken inside, I give you my life**

I need You to soften my heart to break me apart
I need You to pierce through the dark and
Cleanse every part of me

//I may be weak but Your Spirit's strong in me
My flesh may fail, my God You never will //

I RAISE A HALLELUJAH

I raise a hallelujah, in the presence of my enemies
I raise a hallelujah, louder than my unbelief
I raise a hallelujah, my weapon is a melody
I raise a hallelujah, Heaven comes to fight for me

I'm gonna sing in the middle of the storm
Louder and louder, you're gonna hear my praises roar
Up from the ashes, hope will arise
Death is defeated, the King is alive

I raise a hallelujah, with everything inside of me
I raise a hallelujah, I will watch the darkness flee
I raise a hallelujah, in the middle of the mystery
I raise a hallelujah, fear you lost your hold on me
