CLOSING COMMENTS

GRAVES INTO GARDENS

I searched the world but it couldn't fill me
Man's empty praise and treasures that fade
Are never enough

Then You came along and put me back together
And every desire is now satisfied here in Your love

Oh there's nothing better than You
No there's nothing better than You
There's nothing
Nothing is better than You

I'm not afraid to show You my weakness
My failures and flaws, Lord, You've seen them all
And You still call me friend

'Cause the God of the mountain is the God of the valley
There's not a place Your mercy and grace won't find me again

Oh there's nothing better than You
No there's nothing better than You
There's nothing
Nothing is better than You

You turn mourning to dancing
You give beauty for ashes
You turn shame into glory
You're the only one who can
You turn graves into gardens
You turn bones into armies
You turn seas into highways
You're the only one who can

ALL CREATURES OF OUR GOD AND KING

All creatures of our God and King
Lift up your voice and with us sing
Oh praise Him Alleluiah
Thou burning sun with gold beam
Thou silver moon with softer gleam
Oh praise Him Oh praise Him Allelujah Allelujah

Thou rushing wind that art so strong
Ye clouds that sail in Heav'n along
Oh praise Him Alleluia
Thou rising moon in praise rejoice
Ye lights of evening find a voice
Oh praise Him Oh praise Him Allelujah Allelujah

Let all things their Creator bless
And worship Him in humbleness
Oh praise Him Allelujah
Praise praise the Father, praise the Son
And praise the Spirit three in One
Oh praise Him Oh praise Him Allelujah Allelujah

Allelujah Allelujah Allelujah Allelujah

GOODNESS OF GOD

I love You Lord oh Your mercy never fails me
All my days I've been held in Your hands
From the moment that I wake up until I lay my head
I will sing of the goodness of God

All my life You have been faithful
All my life You have been so so good
With every breath that I am able
I will sing of the goodness of God

I love Your voice You have led me thru the fire
In darkest nights You are close like no other
I've known You as a Father, I've known You as a Friend
I have lived in the goodness of God

All my life You have been faithful
All my life You have been so so good
With every breath that I am able
I will sing of the goodness of God

Your goodness is running after, it's running after me
Your goodness is running after, it's running after me
With my life laid down, I'm surrendered now
I give You everything
Your goodness is running after, it's running after me

TAKE COURAGE

Slow down take time
Breathe in He said
He'd reveal what's to come
The thoughts in His mind
Always higher than mine
And He'll reveal all to come

Take courage my heart stay steadfast my soul
He's in the waiting He's in the waiting
Hold onto your hope as your triumph unfolds
He's never failing He's never failing

Sing praise my soul
Find strength in joy
Let His words lead you on
Do not forget
His great faithfulness
He'll finish all He's begun

You who hold the stars
Who call them each by name
Will surely keep Your promise to me
That I will rise in Your victory

ANOTHER IN THE FIRE

There's a grace when the heart is under fire
Another way when the walls are closing in
And when I look at the space between
Where I used to be and this reckoning
I know I will never be alone

There was another in the fire standing next to me
There was another in the waters holding back the sea
Should I ever need reminding of how I've been set free
There is a cross that bears the burden
Where another died for me
There is another in the fire

All my debt left for dead beneath the waters
I'm no longer a slave to my sin anymore
And should I fall in the space between
what remains of me and this reckoning
Either way I won't bow to the things of this world
I know I will never be alone

There is another in the fire standing next to me
There is another in the waters holding back the sea
Should I ever need reminding what power set me free
There is a grace that holds no body
Now that power lives in me
There is another in the fire...

*I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears then
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us Nothing stands between us*

There is no other name but the Name that is Jesus
He was and He is and will be thru it all
So what comes in the space between
All the things unseen and this reckoning
I know I will never be alone, I know I will never be alone

There'll be another in the fire standing next to me
There'll be another in the waters holding back the sea
Should I ever need reminding
How good You've been to me
I'll count the joy come every battle cause
I know that's where You'll be
*I'll count the joy come every battle cause
I know that's where You'll be
I'll count the joy come every battle cause
I know that's where You'll be*

*There's a cross that bears the burden
Where another died for me
And there's a grave that holds no body
Now His power lives in me*
