## GREAT THINGS

Come let us worship our king  
Come let us bow at His feet  
He has done great things  
See what our Savior has done  
See how His love overcomes  
He has done great things  
He has done great things

Oh Hero of heaven, You conquered the grave  
You free every captive and break every chain  
Oh God, You have done great things  
We dance in Your freedom awake and alive  
Oh Jesus, our Savior, Your name lifted high  
Oh God, You have done great things

You've been faithful through every storm  
You'll be faithful forevermore  
You have done great things  
And I know You will do it again  
For your promise is yes and amen  
You will do great things  
You will do great things  
The King of Glory, the King above all kings

Oh Hero of heaven, You conquered the grave  
You free every captive and break every chain  
Oh God, You have done great things  
We dance in Your freedom awake and alive  
Oh Jesus, our Savior, Your name lifted high  
Oh God, You have done great things

// Hallelujah God above it all //  
// Hallelujah God unshakeable //  
// Hallelujah You have done great things //

// Hallelujah God above it all //  
// Hallelujah God unshakeable //  
// Hallelujah You have done great things //  
//You've done great things//

Oh Hero of heaven, You conquered the grave  
You free every captive and break every chain  
Oh God, You have done great things  
We dance in Your freedom awake and alive  
Oh Jesus, our Savior, Your name lifted high  
Oh God, You have done great things

You have done great things

Oh God You do great things!

## I RAISE A HALLELUJAH

I raise a hallelujah, in the presence of my enemies  
I raise a hallelujah, louder than my unbelief  
I raise a hallelujah, my weapon is a melody  
I raise a hallelujah, Heaven comes to fight for me

I'm gonna sing in the middle of the storm  
Louder and louder, you're gonna hear my praises roar  
Up from the ashes, hope will arise  
Death is defeated, the King is alive

I raise a hallelujah, with everything inside of me  
I raise a hallelujah, I will watch the darkness flee  
I raise a hallelujah, in the middle of the mystery  
I raise a hallelujah, fear you lost your hold on me

I'm gonna sing in the middle of the storm  
Louder and louder, you're gonna hear my praises roar  
Up from the ashes, hope will arise  
Death is defeated, the King is alive

**Sing a little louder:** *In the presence of my enemies*

**Sing a little louder:** *Louder than the unbelief*

**Sing a little louder:** *My weapon is a melody*

**Sing a little louder:** *Heaven comes to fight for me*

## NO LONGER SLAVES

You unravel me with a melody  
You surround me with a song  
Of deliverance from my enemies  
Till all my fears are gone

*I'm no longer a slave to fear  
I am a child of God*

From my mother's womb You have chosen me  
Love has called my name  
I've been born again into Your family  
Your blood flows through my veins

*I'm no longer a slave to fear  
I am a child of God*

*You split the sea so I could walk right through it  
You downed my fears in perfect love  
You rescued me so I can stand and sing  
I am a child of God*

## ANOTHER IN THE FIRE

There's a grace when the heart is under fire  
Another way when the walls are closing in  
And when I look at the space between  
Where I used to be and this reckoning  
I know I will never be alone

There was another in the fire standing next to me  
There was another in the waters holding back the sea  
Should I ever need reminding of how I've been set free  
There is a cross that bears the burden  
Where another died for me  
There is another in the fire

All my debt left for dead beneath the waters  
I'm no longer a slave to my sin anymore  
And should I fall in the space between  
what remains of me and this reckoning  
Either way I won't bow to the things of this world  
I know I will never be alone

There is another in the fire standing next to me  
There is another in the waters holding back the sea  
Should I ever need reminding what power set me free  
There is a grace that holds no body  
Now that power lives in me  
There is another in the fire...

*I can see the light in the darkness  
As the darkness bows to Him  
I can hear the roar in the heavens  
As the space between wears then  
I can feel the ground shake beneath us  
As the prison walls cave in  
Nothing stands between us Nothing stands between us*

There is no other name but the Name that is Jesus  
He was and He is and will be thru it all  
So what comes in the space between  
All the things unseen and this reckoning  
I know I will never be alone, I know I will never be alone

There'll be another in the fire standing next to me  
There'll be another in the waters holding back the sea  
Should I ever need reminding  
How good You've been to me  
I'll count the joy come every battle cause  
I know that's where You'll be  
*I'll count the joy come every battle cause  
I know that's where You'll be  
I'll count the joy come every battle cause  
I know that's where You'll be*

*There's a cross that bears the burden  
Where another died for me  
And there's a grave that holds no body  
Now His power lives in me*
