A Creation account unlike any other:

The Fall - Trying to be God:

Truth and Consequences and God's Faithfulness:

Reflections on the New Creation:

GRAVES INTO GARDENS

I searched the world but it couldn't fill me
Man's empty praise and treasures that fade
Are never enough

Then You came along and put me back together
And every desire is now satisfied here in Your love

Oh there's nothing better than You
No there's nothing better than You
There's nothing
Nothing is better than You

I'm not afraid to show You my weakness
My failures and flaws, Lord, You've seen them all
And You still call me friend

'Cause the God of the mountain is the God of the valley
There's not a place Your mercy and grace won't find me again

Oh there's nothing better than You
No there's nothing better than You
There's nothing
Nothing is better than You

You turn mourning to dancing
You give beauty for ashes
You turn shame into glory
You're the only one who can
You turn graves into gardens
You turn bones into armies
You turn seas into highways
You're the only one who can

GIVE ME FAITH

I need You to soften my heart to break me apart
I need You to open my eyes to see that
You're shaping my life
All I am, I surrender

Give me faith to trust what You say
That You're good and Your love is great
I'm broken inside, I give you my life

I need You to soften my heart to break me apart
I need You to pierce through the dark and
Cleanse every part of me

//I may be weak but Your Spirit's strong in me
My flesh may fail, my God You never will //

GREAT ARE YOU LORD

You give life I You are love
You bring light to the darkness
You give hope I You restore
Every heart that is broken
And great are you Lord

It's your breath in our lungs
So we pour out our praise, pour out our praise
It's your breath in our lungs
So we pour out our praise to you only

You give life I You are love
You bring light to the darkness
You give hope I You restore
Every heart that is broken
And great are you Lord

It's your breath in our lungs
So we pour out our praise, pour out our praise
It's your breath in our lungs
So we pour out our praise to you only

And all the earth will shout your praise
Our hearts will cry these bones will sing
Great are You Lord

RUN TO THE FATHER

I've carried a burden for too long on my own
I wasn't created to bear it alone
I hear Your invitation to let it all go
I see it now, I'm laying it down
I know that I need You

I run to the Father, fall into grace
I'm done with the hiding, no reason to wait
My heart needs a surgeon, my soul needs a friend
So I run to the Father again and again and again...

You saw my condition, had a plan from the start
Your Son for redemption, the price for my heart
I don't have a context for that kind of love
I don't understand, I can't comprehend
All I know is I need You

//

My heart has been in Your sights
Long before my first breath
Running into Your arms is running to life from death
I feel this rush deep in my chest
Your mercy is calling out
Just as I am You pull me in
I know that I need You now
