verse 18

CLOSING COMMENTS

MY LIGHTHOUSE

In my wrestling and in my doubts
In my failures You won't walk out
Your great love will lead me through
You are the peace in my troubled sea
You are the peace in my troubled sea

In the silence You won't let go
In the questions Your truth will hold
Your great love will lead me through
You are the peace in my troubled sea
You are the peace in my troubled sea

*My lighthouse My Lighthouse
Shining in the darkness I will follow You
My Lighthouse My Lighthouse
I will trust the promise You will carry me
Safe to shore... Safe to shore...
Safe to shore... Safe to shore*

I won't fear what tomorrow brings
With each morning I'll rise and sing
My God's love will lead me through
You are the peace in my troubled sea
You are the peace in my troubled sea

*Fire before us You're the brightest
You will lead us through the storms*

TAKE COURAGE

Slow down take time
Breathe in He said
He'd reveal what's to come
The thoughts in His mind
Always higher than mine
And He'll reveal all to come

Take courage my heart stay steadfast my soul
He's in the waiting He's in the waiting
Hold onto your hope as your triumph unfolds
He's never failing He's never failing

Sing praise my soul
Find strength in joy
Let His words lead you on
Do not forget
His great faithfulness
He'll finish all He's begun

You who hold the stars
Who call them each by name
Will surely keep Your promise to me
That I will rise in Your victory

WAY MAKER

You are here moving in our midst
I worship You I worship You
You are here working in this place
I worship You I worship You

***Way maker miracle worker
promise keeper light in the darkness
My God that is who You are***

You are here touching every heart
I worship You I worship You
You are here healing every heart
I worship You I worship You

***Way maker miracle worker
promise keeper light in the darkness
My God that is who You are***

// That is who You are //

Even when I can't see it You're working
Even when I can't feel it Your working
You never stop You never stop working
You never stop You never stop working

ANOTHER IN THE FIRE

There's a grace when the heart is under fire
Another way when the walls are closing in
And when I look at the space between
Where I used to be and this reckoning
I know I will never be alone

There was another in the fire standing next to me
There was another in the waters holding back the sea
Should I ever need reminding of how I've been set free
There is a cross that bears the burden
Where another died for me
There is another in the fire

All my debt left for dead beneath the waters
I'm no longer a slave to my sin anymore
And should I fall in the space between
what remains of me and this reckoning
Either way I won't bow to the things of this world
I know I will never be alone

There is another in the fire standing next to me
There is another in the waters holding back the sea
Should I ever need reminding what power set me free
There is a grace that holds no body
Now that power lives in me
There is another in the fire...

*I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears then
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us Nothing stands between us*

There is no other name but the Name that is Jesus
He was and He is and will be thru it all
So what comes in the space between
All the things unseen and this reckoning
I know I will never be alone, I know I will never be alone

There'll be another in the fire standing next to me
There'll be another in the waters holding back the sea
Should I ever need reminding
How good You've been to me
I'll count the joy come every battle cause
I know that's where You'll be
*I'll count the joy come every battle cause
I know that's where You'll be
I'll count the joy come every battle cause
I know that's where You'll be*

*There's a cross that bears the burden
Where another died for me*

*And there's a grave that holds no body
Now His power lives in me*
