CLOSING COMMENTS

I RAISE A HALLELUJAH

I raise a hallelujah, in the presence of my enemies
I raise a hallelujah, louder than my unbelief
I raise a hallelujah, my weapon is a melody
I raise a hallelujah, Heaven comes to fight for me

I'm gonna sing in the middle of the storm
Louder and louder, you're gonna hear my praises roar
Up from the ashes, hope will arise
Death is defeated, the King is alive

I raise a hallelujah, with everything inside of me
I raise a hallelujah, I will watch the darkness flee
I raise a hallelujah, in the middle of the mystery
I raise a hallelujah, fear you lost your hold on me

I'm gonna sing in the middle of the storm
Louder and louder, you're gonna hear my praises roar
Up from the ashes, hope will arise
Death is defeated, the King is alive

Sing a little louder: *In the presence of my enemies*

Sing a little louder: *Louder than the unbelief*

Sing a little louder: *My weapon is a melody*

Sing a little louder: *Heaven comes to fight for me*

FAITHFUL NOW

I am holding on to faith
Because I know you'll make a way
I don't always understand
I don't always get to see
But I will believe it, I will believe it

*Cause You make mountains move
You make giants fall
You use songs of praise to shake prison walls
I will speak to my fear
I will preach to my doubt
That You were faithful then
You'll be faithful now*

I am standing on Your word
Calling heaven down to earth
You will fight my enemies
This will end in victory
But I will believe it, I will believe it

*Cause You make mountains move
You make giants fall
You use songs of praise to shake prison walls
I will speak to my fear
I will preach to my doubt
That You were faithful then
You'll be faithful now*

*I know that I know, You never fail
I know that I know You never will*

JESUS, WE LOVE YOU

Old things have passed away
Your love has stayed the same
Your constant grace remains the cornerstone
Things that we thought were dead
Are breathing in life again
You cause Your Son to shine on darkest nights

*For all that You've done
We will pour out our love
This will be our anthem song*

**Jesus we love You
Oh how we love You
You are the One our heart adore**

The hopeless have found their hope
The orphans now have a home
All that was lost has found its place in You
You lift our weary head
You make us strong instead
You took these rags and made us beautiful

//

***Our affection
Our devotion
Poured out on the feet of Jesus***

ANOTHER IN THE FIRE

There's a grace when the heart is under fire
Another way when the walls are closing in
And when I look at the space between
Where I used to be and this reckoning
I know I will never be alone

There was another in the fire standing next to me
There was another in the waters holding back the sea
Should I ever need reminding of how I've been set free
There is a cross that bears the burden
Where another died for me
There is another in the fire

All my debt left for dead beneath the waters
I'm no longer a slave to my sin anymore
And should I fall in the space between
what remains of me and this reckoning
Either way I won't bow to the things of this world
I know I will never be alone

There is another in the fire standing next to me
There is another in the waters holding back the sea
Should I ever need reminding what power set me free
There is a grace that holds no body
Now that power lives in me
There is another in the fire...

*I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears then
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us Nothing stands between us*

There is no other name but the Name that is Jesus
He was and He is and will be thru it all
So what comes in the space between
All the things unseen and this reckoning
I know I will never be alone, I know I will never be alone

There'll be another in the fire standing next to me
There'll be another in the waters holding back the sea
Should I ever need reminding
How good You've been to me
I'll count the joy come every battle cause
I know that's where You'll be
*I'll count the joy come every battle cause
I know that's where You'll be
I'll count the joy come every battle cause
I know that's where You'll be*

*There's a cross that bears the burden
Where another died for me*

*And there's a grave that holds no body
Now His power lives in me*
