CLOSING COMMENTS

MY LIGHTHOUSE

In my wrestling and in my doubts
In my failures You won't walk out
Your great love will lead me through
You are the peace in my troubled sea
You are the peace in my troubled sea

In the silence You won't let go
In the questions Your truth will hold
Your great love will lead me through
You are the peace in my troubled sea
You are the peace in my troubled sea

*My lighthouse My Lighthouse
Shining in the darkness I will follow You
My Lighthouse My Lighthouse
I will trust the promise You will carry me
Safe to shore... Safe to shore...
Safe to shore... Safe to shore*

I won't fear what tomorrow brings
With each morning I'll rise and sing
My God's love will lead me through
You are the peace in my troubled sea
You are the peace in my troubled sea

*Fire before us You're the brightest
You will lead us through the storms*

YOU MAKE ME BRAVE

I stand before you now
The greatness of your renown
I have heard of the majesty and wonder of you
King of heaven in humility I bow

As your love in wave after wave

Crashes over me

Crashes over me

For you are for us, You are not against us

Champion of heaven you made a way for all to enter in

I have heard you calling my name
I have heard the song of love that you sing
So I will let you draw me out beyond the shore
Into your grace, oh your grace

As your love in wave after wave

Crashes over me

Crashes over me

For you are for us, You are not against us

Champion of heaven you made a way for all to enter in

*You make me brave | You make me brave
You call me out beyond the shore into the waves
You make me brave | You make me brave
No fear can hinder now the love that made a way*

THIS I BELIEVE

Our Father everlasting
The all creating One
God Almighty
Through Your Holy Spirit
Conceiving Christ the Son
Jesus our Savior

I believe in God our Father

I believe in Christ the Son

I believe in the Holy Spirit

Our God is three in One

I believe in the resurrection

That we will rise again

For I believe in the name of Jesus

Our judge and our defender
Suffered and crucified
Forgiveness is in You
Descended into darkness
You rose in glorious life
Forever seated high

I believe in You

I believe You rose again

I believe that Jesus Christ is Lord

I believe in life eternal

I believe in the virgin birth

I believe in the Saints' communion and in Your holy church

I believe in the resurrection, when Jesus comes again

For I believe in the name of Jesus

ANOTHER IN THE FIRE

There's a grace when the heart is under fire
Another way when the walls are closing in
And when I look at the space between
Where I used to be and this reckoning
I know I will never be alone

There was another in the fire standing next to me
There was another in the waters holding back the sea
Should I ever need reminding of how I've been set free
There is a cross that bears the burden
Where another died for me
There is another in the fire

All my debt left for dead beneath the waters
I'm no longer a slave to my sin anymore
And should I fall in the space between
what remains of me and this reckoning
Either way I won't bow to the things of this world
I know I will never be alone

There is another in the fire standing next to me
There is another in the waters holding back the sea
Should I ever need reminding what power set me free
There is a grace that holds no body
Now that power lives in me
There is another in the fire...

*I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears then
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us Nothing stands between us*

There is no other name but the Name that is Jesus
He was and He is and will be thru it all
So what comes in the space between
All the things unseen and this reckoning
I know I will never be alone, I know I will never be alone

There'll be another in the fire standing next to me
There'll be another in the waters holding back the sea
Should I ever need reminding
How good You've been to me
I'll count the joy come every battle cause
I know that's where You'll be
*I'll count the joy come every battle cause
I know that's where You'll be
I'll count the joy come every battle cause
I know that's where You'll be*

*There's a cross that bears the burden
Where another died for me
And there's a grave that holds no body
Now His power lives in me*
