Getting Started

What did you find most helpful from this week's sermon? Was anything confusing? Is there anything that needs clarification? Discuss as a group.

Going Deeper

Re-read [Romans 15:5](#); [Psalm 86:15](#); [Isaiah 48:9](#) & [Romans 2:4](#). Try comparing two different translations. Take some time as a group discussing your observations.

How would you personally describe biblical [patience](#)? How does it differ from your understanding of patience?

According to the sermon, how can patience be defined? With this definition in mind, share a time in your life that you demonstrated patience.

What happens to a Christian's attitude when they are ignoring the fruit of the Spirit of patience?

How does God demonstrate His patience towards us? Read [Numbers 14:18](#)

How does the understanding of patience being a fruit of the Spirit that is given to believers help you when interacting with non-believers or individuals who do not have this Spirit producing patience in them?

The illustration of triathletes continuously needing to fuel with calories throughout a race reminded us of the need to stay connected to the source of patience. What does it look like to continue growing in patience?

[Application](#)

What's 1 action step you can take this week to apply what you've learned from our lesson today?

[Prayer](#)

How can your group pray for you?
