Going Deeper

What are the 2 key questions we should continually be asking one another that sum-up the essence of discipleship?

Read **Matthew 28:19-20**. What do these verses teach us about the Great Commission?

What's the difference between training & equipping people? How does discipleship go beyond training to equipping?

What are the 3 areas/categories of discipleship that CBC will focus upon for the next 10 years and beyond?

What are examples of topics that will be covered in each?

Bible Knowledge

Beliefs

Spiritual Habits

What do we mean by *sequence* as it relates to our discipleship plan? What are some ways that we can challenge our people at each level of discipleship to grow and mature?

What 2 discipleship tracks will CBC commit to offering? Explain the importance of each.

Reflect upon and discuss the importance of the following sermon quote: “**Discipleship is not merely the transfer of information leading to behavior modification. No! Discipleship, at its heart, involves transformation by the Holy Spirit, through the Word of God, and in relationship with the people of God!**”
