Going Deeper

Why is talking about group identity important? What becomes of your old identity after accepting Christ? (Jn. 3:3; 2 Cor. 5:17; Eph 4:22-24)

How would you define group identity? How is it different than individual identity? How is it similar?

What is important about forming your Christian identity in a hesed community? Can Christian identity be formed outside of this community, if so, what would it look like?

What is the primary difference between being good and being godly?

What are the two questions we can ask ourselves after spending time in our hesed communities, or after individual study, or discipleship meetings?

The process of sanctification is sometimes difficult; why is it so important to be discipled after becoming a Christian?

Identity is very much formed by who you spend time with, how can you maintain your Christian Group Identity in seasons of life when access to your hesed community are few and far between?

- What now do you know?
- How now will you live?
